## class materials

2 COLLEGE-RULED Poly covered notebooks

Planner  
Will be stamped daily!

Glue, highlighters

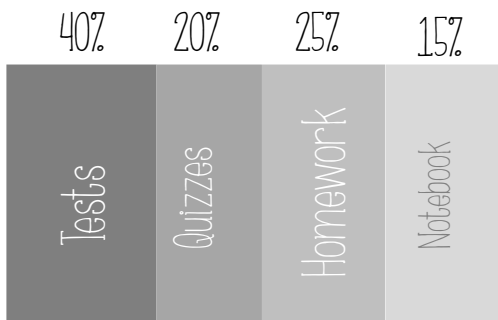

Pencils (HW must be completed in pencil!)  
Optional: Pens (only for notebooks)

## preparation

- 1 Come prepared to class with your notebook, planner, & writing utensils.
- 2 Start working on Warm Up immediately so class can start within five minutes of the bell. You will be marked tardy, if not in seat working when bell rings.
- 3 Homework should be turned in on its due date. Late work will lose points on a per-day-late basis.

## grades

## responsibility

Please check grades regularly and feel free to ask me any questions that you might have about a particular grade. Email always works best as I can respond quickly.

If you are absent, you are responsible for completing your make-up work. ALL homework and notebook pages are posted on my website and available to print out if you are absent.

# Extra Credit

Extra credit is offered on tests, therefore, extra credit assignments will not be offered. Students should not rely on the questions as a means for getting a high grade in the class.

## Homework

Homework is given every day, even Fridays, and is due the following day. Completing homework assignments and studying your notebook are essential for success on all your tests. Therefore, do not throw away any work until the end of a quarter.

Students **MUST SHOW THEIR WORK ON ALL ASSIGNMENTS**, otherwise, it will result in a 0 for that assignment.

Homework can be made up any time before the end of the quarter.

Cheating and/or copying will result in an automatic 0. NO EXCEPTIONS

## Notebook

Notes are taken every day in the notebook, are graded two days before a test, taken home to get signed, and then collected.

If there is a discrepancy between the students' grade and my grade, the student will automatically receive a 0 for that notebook score.

Notebook scores can be fixed up to one week later.

## Absences & Missing Work

Students are responsible for obtaining any missed work when they are absent.

Notes and other missing assignments can be obtained from another student, Mrs. Valine's notebook, or by using my website.

Make-up work will only be accepted for the current quarter. Specific and final dates will be handed out as the quarter comes to a close. **NO EXCEPTIONS!**

Attendance is crucial in this course. Students with poor attendance will find it very difficult to be successful in Math.

If you know you are going to be absent, please see me prior to the absence so I can give you what work you will miss, or you can visit my website.

## Rules and Classroom Management Policies

I will follow the Stonegate Elementary and WUSD Parent handbook for discipline and make every effort to maintain ongoing communication with parents.

Class expectations include:

- ❶ Be in your seat ready to begin class on time.
- ❷ Bring all supplies to class every day
- ❸ Show respect to others and their property
- ❹ Stay on task at all times
- ❺ Follow instructions the first time they are given.
- ❻ Any electronic devices, including cell phones, must be put in your backpack before you enter the classroom. It will be confiscated if seen.

In order to increase parent communication, please include your email for periodic updates, such as homework, test, quiz, and project dates. Keep the first two pages of this syllabus for your records and return this page to Mrs. Valine.
